TAKE ACTION AND HELP DRIVE THE AGENDA FOR 2018: A Follow-Up to the 2017 DC Forum

THURSDAY, NOVEMBER 9, 2017 | AQUA TURF CLUB | 556 MULBERRY STREET | PLANTSVILLE, CT

OBJECTIVE: To build on the key points of the April and September Forums and develop a set of specific collaborative actions, which the Connecticut Health Council will oversee during 2018, that will leverage Connecticut's substantial health sector as a competitive advantage for growth in private sector employment, significant and media wages, and capital investment by providing accessible, affordable, quality, and valued Health Care to all residents.

- Create opportunities that foster collaboration on a local and State level.
- Leverage Connecticut's healthcare services, products and know-how to solve healthcare and public health problems in the State.
- Develop specific questions for gubernatorial candidates and the legislature in 2018 that would:
 - Reduce healthcare costs
 - Increase private sector employment
 - Increase capital investment to drive State's competitive advantage.
- Determine the marketing and promotional platforms that highlight Connecticut as a center of health excellence.
- Drive the Council's 2018 agenda and its role in the State's economic development.

THURSDAY, NOVEMBER 9, 2017

7:30 a.m. - 11:30 a.m.

Breakfast will be served.
